

Santa Ana Principal Professional Development Modules

Event Details

Date & Time	December 8, 9:00a - 10:00a
Location	https://zoom.us/j/652379787
Questions	Contact Dean

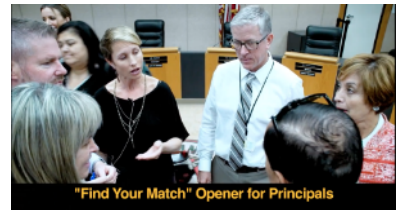

[Click here to RSVP](#)

Virtual Learning Episode Objective:

The purpose of this Opt-In experience is to help all attending districts make further sense of these essential questions with cross-district colleagues, and to support the effective design and implementation of Principal Professional Development across districts.

Essential Questions:

1. What are effective strategies to infuse vision throughout all professional learning?
2. How can a district guarantee greater content priority alignment among principals across all sites in your district?
