Round 2 Improvement Tests

Round 3 Improvement Tests

Annual Improvement Designs

2018-2019 Annual Improvement Design Planning Document

Dinuba Annual Improvement Design

ANNUAL TARGET:
By June 2019, the third grade will have improved in Claim 1 Reading by 10%. We will monitor progress using the RL and RI IABs during the 2018-19 school year.

Round 1 Improvement Test #1: Teachers will participate in a professional learning day that is designed to build a set of instructional strategies to teach RI and RL 1-3.

Related Pillar(s) (Heart, Head, Hands): Head and Hands **School Site(s):** Lincoln, Roosevelt, and Wilson

Intended impact of Improvement Test on adult actions and student achievement:
Teachers will use the strategy toolbank to improve student reading comprehension.

Evidence to monitor and assess impact of Improvement Test:

Adult-level:	Student-level:
1. Fall Learning Walk Data	1. S-2 DRA2 scores for Fall Trimester
2. Anecdotal notes from coaches and PLC leads about the use of the strategies	2. RI IAB results for 3rd grade
3. PLC and Huddle conversations/notes	3. Constructed Response Samples
	4. 3rd grade Achieve3000 Data

Describe the tasks related to executing Improvement Test #1	Point	When to be	Where to
